

Terreal Plate Origine - Terroirs d'Antan

Introducing Plate Origine, a flat tile by Terreal that honours traditional roofing aesthetics. Crafted from Terreal's 150 years of clay expertise, this tile effortlessly captures the timeless charm of yesteryear's rooftops. A perfect blend of tradition and economy, it's the ideal alternative to reclaimed tiles, preserving the essence of our heritage by creating the impression of age but with all the modern comforts and durability.

Warranty Details:

TERREAL offers a 30-year frost warranty on all tiles and accessories in France, starting from the delivery date. This warranty does not affect your legal rights under the Civil Code (Articles 1641 and following).

To be eligible for warranty claims, the following conditions must be met:

1. Products must be installed according to DTU, technical opinions, and TERREAL documentation.
2. Adhere to the specified usage and maintenance conditions.
3. Ensure the use of TERREAL products for both tiles and accessories.

Please report any issues promptly. We can provide a warranty certificate upon request. All TERREAL tiles meet NF EN 1304 Class 1 waterproofing standards and have Level 1 frost resistance (150 cycles) under NF EN 539-2.

Advantages:

- Unstructured nose to reproduce the impression of age and time
- Variable length
- Easy installation
- Durable clays to withstand the test of time

Certification & Testing:

All tiles and accessories in the Terreal product range are subject to a Declaration of Performance (www.terreal.com/fr/marquage-ce). They meet the durability requirements of all countries within the European Economic Area.
